DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on March 29, 2004 has been entered.

Response to Amendment

The Amendment, filed on February 13, 2004, has been entered and acknowledged by the Examiner. Claims 1-6 are pending in the instant application.

Allowable Subject Matter

Claims 1-6 are allowed in view of the prior art of record.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 1, and specifically comprising the limitation of a lamp cap suitable for use with different respective carriers which respective carriers have external contact elements which are located at different respective spacing from the lamp when the lamp is in a mounting position on a carrier, and further comprising the second contact part connected to the first contact part via spring for rendering the second contact part displaceable relative tot the first contact part in a direction transverse to a mounting direction during contacting with the external contact element on a carrier to a degree sufficient to accommodate the different respective spacings at which the external contact elements are located on respective carriers.

Art Unit: 2879

Regarding claims 2-6, claims 2-6 are allowable for the reasons given in claim 1 because of their dependency status from claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
